Education

1986: BA in Social Anthropology, Faculty of Social Sciences, University of Iceland
1992-1993: Doctoral Student, Department of Social and Cultural Anthropology, Oxford University
1993: *Filosofie Licentiat* (MPhil), Department of Cultural Anthropology, University of Uppsala
2011: Diploma in teaching methods, University of Iceland
2011: PhD, Department of Cultural Anthropology, University of Uppsala. Thesis title: *Culture, Conflict and Crises in the Icelandic Fisheries. An Anthropological Study of People, Policy and Marine Resources in the North Atlantic Arctic*

Academic Positions

1998-: Director, Stefansson Arctic Institute, Akureyri, Iceland
2017-: Co-Director, Arctic Research Center (CER-ARCTIC), Autonomous University of Barcelona
2016-: Adjunct Research Professor, University of Akureyri
2005-: Senior Arctic Fellow, Institute of Arctic Studies, Dartmouth College, USA
2015: UCM-EEA Extraordinary Chair, NILS Science and Sustainability, University of Coruña
2012-2013: Visiting Professor, Norwegian College of Fishery Science, Arctic University of Tromsø, Norway
2016-: Associate Researcher, Centre for Social Studies (CES), University of Coimbra
2012-2013: Visiting Scholar, Center for International Climate and Environmental Research – Oslo (CICERO) and Norwegian Polar Institute, Tromsø, Norway
2008-2012: Part-time Lecturer and Supervisor in Arctic Studies and Polar Law Programme Courses, University of Akureyri, Iceland
1996 and 2005-2006: Visiting Scholar, Scott Polar Research Institute, University of Cambridge

Professional Specialization

Main research and professional interests include the social, cultural and environmental dimensions of marine resource governance, climatic change, and North Atlantic Arctic sustainability and social change issues. Have led and participated in numerous international research and scientific assessment projects with a focus on the circumpolar region, including co-editing the first Arctic Human Development Report. PI on the Nordic Centre of Excellence in Arctic Research project *Arctic Climate Predictions: Pathways to Resilient, Sustainable Societies - ARCPATH* (2016-2021) with emphasis on environmental and social change in North Atlantic Arctic coastal communities. PI on Horizon 2020 *JUSTNORTH – Toward Just, Ethical and Sustainable Arctic Economies, Environments and Societies* (2020-2024).

Service Activities

2018-2020: Member, Social and Human Working Group, International Arctic Science Committee

2004-: Member, Icelandic Commission on Arctic Affairs
2004-2008: Member, Icelandic International Polar Year Committee
2002-2004: Co-chair, Arctic Human Development Report Project
2010-2014: Member, Arctic Human Development Report II Executive Committee
2012-2017: Member, Arctic Council Arctic Resilience Report Steering Committee
2008-2012: Project Leader Icelandic team in the FISHERNET EU project (www.fishernet.is)
2002-2004: Chair, Regional Board, International Arctic Science Committee
2000-2004: Member, Executive Committee, International Arctic Science Committee
2001-2004: Observer to the Arctic Council for the International Arctic Science Committee
2002-2004: Chair, Nordic Polar Group
1998-2004: Member of Board, Nordic Arctic Research Programme
2000-2004: Member of Advisory Board, Encyclopedia of the Arctic
2001-2004: Member of the Advisory Group for the Icelandic Chairmanship of the Arctic Council
2003-2012: Member of the Northern Research Scientific Advisory Board, Oulu University, Finland
2009-: Board Member and Vice Chair, Icelandic Polar Law Institute
2009-2010: Scientific advisor, Arctic Governance Project (www.arcticgovernance.org).
2008-2010: Member of Board, Icelandic United Nations Association.
2007: Panelist expert UN IHDP 2nd Bonn Dialogue on Melting Ice and Vanishing Life in the Arctic. UN Campus in Bonn.
2004. Member of a European Task Force to prepare the European Science Foundation EUROCORES proposal "Histories from the North: environments, movements, narratives (BOREAS)".
2002-2012: Board Member, The Nordic House in Nuuk, Greenland
2000. Academic Liaison for the World Bank European Academic Action Network for Development.
1998-1999: Member of Advisory Committee for the Icelandic Chairmanship of the Nordic Council.

Editorial Boards

1999-: Member of Editorial Board, Worldviews-Environment, Culture, Religion
2009-: Member of Editorial Board: Polar Geography

Professional associations

2010-: Member of the Royal Anthropological Association of Great Britain and Ireland (RAI)
2002-: Member of the Icelandic Association of Anthropologists

Further Review Activity

Manuscript reviewer for *Journal of the Royal Anthropological Institute (MAN)*, *Ethnos-Journal of Anthropology*, *Human Ecology*, *Polar Journal*, *Ambio*, *Polar Record*, *Ocean and Coastal Management and Polar Geography*.

Application reviewer for: New Frontiers in Research Fund; Nordic Council Fund on Social Science (NOSS); Academy of Finland; Centers of Excellence in Research, Research Posts and Postdoctoral Research Grants); the Icelandic Research Council; Norwegian Research Council; University of Iceland Strong Research Teams and Postdoctoral Grants; the Guggenheim Foundation; National Geographic Research Fund; Marie Curie Fellowships.

1997-1998: Reviews Editor, Worldviews-Environment, Culture, Religion.

1997-1998: Member of preparatory task force for the Nordic Arctic Research Programme.

2001: Evaluation Committee Member of Professorship at University of Iceland Department of Anthropology.

2013: Referee for Associate Professor position, University of Iceland.

2008: Referee for Professorship position, University of Lapland.

2005-2013: Expert reviewer for committees of the Icelandic Parliament on Arctic issues, marine resource governance and constitutional issues.

Teaching Activities

2011-2018: Supervisor and examiner for MA theses at the University Centre of the Westfjords Coastal and Marine Management Programme.

2012: Supervisor for a BA thesis in law at the University of Akureyri

2016: Supervisor and committee member for an MA thesis in social sciences at the University of Akureyri.

2018: Co-supervisor for an MA thesis in geography at the University of Iceland.

2018-: Co-supervisor for a PhD thesis in environmental studies at the University of Iceland.

Examiner of PhD theses:

1999: University of Oslo, Geir Hønneland: Compliance in the Barents Sea Fisheries.

2013: Arctic University of Norway, Siri Ulfsdatter Soreng: Lokale rettighetsforståelser i fiskeriforvaltningen- Med særlig focus på samiske fiskerettigheter (Local Perceptions of Rights in Fisheries Governance- Special Focus on Saami Fishing Rights).

2016: University of Lapland, Nikolas Sellheim: Legislating the Blind Spot-The EU Seal Regime and the Newfoundland Seal Hunt.

2018: University of Iceland, Matthias Kokorsch: Mapping Resilience-Coastal Communities in Iceland.

1997-1998: Lecturer, University of Akureyri Department of Fisheries Science

1994-1997: Researcher, University of Iceland Fisheries Institute

1994-1997: Part-time Lecturer University of Akureyri

Lectures and Presentations

Participation with presentations in more than 200 international conferences, workshops and meetings.

Grantmanship and Selected Projects

2020-2024: JUSTNORTH – Toward Just, Ethical and Sustainable Arctic Economies, Environments and Societies. Project awarded €6 million in funding through a grant from EU Horizon 2020 call LC-CLA-07-2019: The Changing Cryosphere: Uncertainties, Risks and Opportunities. With Corine Wood-Donnelly, Roman Sidortsov and others.

2016-2021: NordForsk funded Nordic Centre of Excellence in Arctic Research project *Arctic Climate Predictions: Pathways to Resilient, Sustainable Societies (ARCPATH)* with Astrid Ogilvie, Yongqi Gao and others.

2014-2017: NordForsk funded Top Research Initiative funded project *Impacts of Future Sea-Ice and Snow-Cover Changes on Climate, Green Growth and Society (GREENICE)*, with Astrid Ogilvie, Noel Keenlyside and others.

2008-2011: EU Culture Programme funded project on European Fishing Culture Heritage (FISHERNET), with fisherfolk's guilds (cofradias) in Galicia and others.

2005-2008: International Polar Year Project *Community Adaptation and Vulnerability in Arctic (CAVIAR)* with Grete K. Hovelsrud and others.

2007-2009: International Polar Year Project *Arctic Change: An Interdisciplinary Dialog Between the Academy, Northern Peoples, and Policy Makers*, with Ross A. Virginia.

2006-2009: International Polar Year Project *Arctic Social Indicators*, with Joan Nymand Larsen and others.

2006-2009: National Science Foundation award in collaboration with the European Science Foundation International Polar Year Project: *Northern Narratives: Social and Geographical Accounts from Iceland, Norway and Canada (NORSAGA)* with Astrid Ogilvie and others.

2006-2009: National Science Foundation award *Synthesis of Sea Ice, Climate and Human Systems in the Arctic and Subarctic (SYNICE)* with Astrid Ogilvie and others.

1999-2001: EU Raphael Programme funded multilingual web resource on *Human Dimensions of Arctic Environments (HAWP)*, www.thearctic.is, with Arctic Centre in Rovaniemi, Scott Polar Research Institute, Cambridge, University of the Arctic, and others.

1993-1997: *Common Property and Environmental Policy in Comparative Perspective*, with Gísli Pálsson.

1994-1997: *Hunting of Marine Mammals: Cultural Aspects of Resource Management in the Circumpolar Regions*, with Arne Kalland.

Other Activities and Honours

2013: Recipient of the Finnish Order of the Lion Cross for Contribution to Arctic Science.

1999-2000: Project Leader, Human Dimensions of Arctic Environments (HAWP), www.thearctic.is

2006-2008: Project Leader of HAWP in Second phase as International Arctic Science Committee (IASC) project.

1997-1998: Member of University of the Arctic Interim Council.
